

It Happened TODAY

The Nation

Canada's Indians have stopped "starving." Health Minister Paul Martin has announced that the Indian population has increased from 115,000 in 1934 to 135,000 in 1949. He claims increased health aid is responsible for comeback of the red man.

HEALTH MINISTER MARTIN
... more Indians.

Canada has the most complete Nazi military history in Western hemisphere in some 15,000 documents and books captured from the German army. Historians poring over vast accumulation of materials say the Germans were greatest military research workers of this age. "They made military business a national sport," says C. P. Stacey.

Atomic Energy

Canada will concentrate on research in the field of atomic energy because only the U.S. possesses facilities to produce atomic weapons. This was announced by George C. Bateman, Ottawa, member of Atomic Energy Control Board. He added that Canada has "the finest research tool of its kind in Chalk River atomic pile."

People

Trouble-making Sons of Freedom Doukhobor sect is negotiating a move to Turkey and not Russia as previously stated. Chairman of the 1,000-member Spiritual Community of Christ John L. Lebedeff said in Nelson. "The prophecy has been fulfilled" and the Doukhobors are destined to migrate eastward. He did not explain what is meant by "the prophecy."

LONDON POLICE SET DRAGNET FOR MONK

LONDON, Aug. 27.—(CP)—A brown-grey monkey, escaping from a train at Clapham Junction station, outwitted eight policemen and 200 children who chased it for two hours in and out of gardens and houses.

The monkey was first seen climbing up the side of the Chatham and Dover public building. Subsequently it was chased by the crews of two police radio cars through nearly every back garden in Cabul Road, Clapham.

The monkey was finally cornered in a woman's bedroom. It bit the woman, a police sergeant while being loaded into a Black Maria for removal to Regent's Park zoo.

U.S. Affairs

United States is going to try and solve Palestine problem economically instead of politically. President Truman has sent Tennessee Valley Authority expert Gordon Clapp to the Near East as head of a United Nations Economic Mission. This part of U.S. program of assistance to backward areas of the world.

U.S.-U.K. Parley Has Mystery Air

British Economic Crisis Presents Tough Problem

By George Ronald

WASHINGTON, Aug. 27.—(CP)—Three countries go to work today on the grim problem of how to put Britain back on her economic feet.

And despite millions of words of speculation, there is a certain air of mystery as the long-heralded Anglo-Canadian-American financial talks begin.

What does each government think is the answer to this dilemma which experts say is just as important to North America as to Britain herself? What solution will the British suggest? What will Canada and the United States propose?

MANY PROPOSALS

There has been talk of devaluing the pound sterling. Britain objects. And of boosting the price of gold. The United States turns thumbs down on that one. Of letting Britain expand Marshall plan dollars where she pleases. That could be expected to run into big criticism from the United States Senate. And there are other unofficial ideas are being talked.

The answers are locked in the briefcases of high-level British, Canadian and American officials as they meet today for what may be one of the most important conferences in history.

The whole world is watching as they lay the groundwork for further talks scheduled to start Sept. 6 at ministerial level.

TOP LEVEL CONFERENCE

"The conference will bring together Sir Stafford Cripps, chairman of the exchequer, and Foreign Secretary Bevin, representing Britain; Canada's L. B. Pearson, external affairs minister, and Finance Minister Douglas Abbott; and Treasury Secretary John R. Taylor and State Secretary Dean Acheson of the United States.

Military and atomic matters likely will be discussed along with economic problems when the cabinet ministers convene.

The talks have heavy political undertones, though some United States senators and newspapers are jabbing painfully at Britain's Socialist government with the argument that Socialism is the real cause of Britain's woes.

British officials and newspapers are fighting back with warnings not to overdo the criticism.

Where does Canada stand? Pearson, in a speech at Ottawa last Monday, warned a serious breach between Britain and the U.S. would benefit no one but the leaders of Communist Russia.

CANADIAN ROLE

His remarks were interpreted as an indication that Canada's role in the Washington talks will be that of interpreter and mediator. Today, as the conference gets under way, that's how it looks.

It is extra probable because of Canada's past record.

She has been the all-important

Medical Service Payments To Rise in B.C.

VANCOUVER, Aug. 27.—(CP)—Premier Byron Johnson told B.C. citizens yesterday they'd have to pay in 1950 more for compulsory provincial medical services.

British Columbians will pay \$21 for a single person, instead of the old rate of \$15, while married couples with dependents will pay \$30 as compared with \$24.

Mr. B.C. will have to dig into his pocket for the boosted payment in October. Saskatchewan is the only other province with a similar scheme.

Premier Johnson said the one-year-old plan hasn't been paying its way, and the government needs the money quickly.

Fewer Millionaires

LONDON, Aug. 27.—(Reuters)—Britain now has two fewer millionaires—defined by the income tax collection as men who earn more than £100,000 (\$400,000) a year. Last year there were 56. Now there are 54.

Haison at other international conferences which reached satisfactory solutions despite all sorts of gloomy handicaps.

Teacher Drowns In Attempt To Save Pupil

HAWKESBURY, Ont., Aug. 27.—(BUP)—A 32-year-old school teacher lost his life in Lake Champlain here yesterday in a vain attempt to save an 11-year-old pupil from drowning.

Fernand Berube, the teacher, plunged into the lake fully dressed when attracted by shouts for help from Gilles Larocque, his pupil, who was floundering about 80 feet from shore.

Witnesses said the boy grabbed Berube around the neck in panic and the teacher was unable to break the death-grip.

The man and boy thrashed in the water for minutes, they said, before both went under locked together.

Hurricane Hits Florida Cities

and patrol the downtown sections of the city.

RADIO TOWER TOPPLES

The 196-foot tower of radio station WJNO at West Palm Beach toppled into Lake Worth. Parking meter heads were blown off stands and the \$6,000 stained glass dome of the George Washington hotel bashed in.

Miami was on the southern fringe of the hurricane and winds there reached a maximum of 50 miles an hour. Rainfall at Miami totaled 1.50 inches during the day.

Hollywood, 18 miles north of Miami, had only minor damage but it worsened northward along the coast. Fort Lauderdale was with out power for a time but most telephones remained in operation.

Delray Beach, still further north, suffered heavy damage from 125-mile-an-hour winds.

PRECAUTIONS TAKEN

The storm hit an area best prepared to withstand the battering. Hurricane-wise residents of the coast, warned in advance by frequent weather bureau advisories and bulletins, took precautions for safety.

Home and business places were shuttered and barred and boats moved to safe moorings in rivers and canals and storm shelters were opened for residents.

Light Quake

TOKYO, Aug. 27.—(AP)—A light earthquake was felt today in Tokyo.

The shock centered in Ibaragi prefecture just north of Tokyo.

Farm Indemnity Will Be \$5 Million

(Continued from Page 1)

bullets per acre, and \$1.50 an acre where yield is between four and eight bushels.

HALF OF ACREAGE

A farmer is paid on half his cultivated acreage. Maximum payment is on 400 cultivated acres.

In addition to PFA payments, Alberta farmers will receive well over \$500,000 in hall insurance claims this year.

Devastating hail storm which ripped through Central Alberta on Aug. 7 has resulted in 327 claims being filed with the provincial hall insurance board.

These 327 farmers will receive about \$260,000 in insurance payments.

LOSS \$4 MILLION

Total crop loss was almost \$4,000,000 from hail alone.

An estimated 3,000 farmers were hit by the storm, but only about 40 carry hall insurance.

Provincial hall insurance board does 70 per cent of the hall insurance business in the province. Remaining 30 per cent is done by private firms.

Many farmers insure with private firms in addition to insuring with the provincial board.

Total of 9,300 farmers in Alberta carried hall insurance this year. Total number of farmers in the province is about 90,000.

QUIRK OF NATURE

Quirk of nature occurred this year. Crops south of Calgary were heavily insured because crops there are good this year. Crops north of Calgary carried little insurance because prospects during the dry spring were poor.

Yet most hail has fallen north of Calgary.

Carl J. Stimpfle, president of the Farmers' Union of Alberta, said today the situation is not as serious as it would have been during depression years when farmers had fewer financial resources.

\$600,000 Building To Be Built Here

Gaults Alberta Limited Will Start Work Monday

Construction of a unique \$600,000 wholesale warehouse and office building will be started Monday morning by one of Edmonton's old-established firms, Gaults Alberta Ltd.

Incorporating several architectural features new to the Edmonton building scene, it will be a 150x135 feet, two-story and basement, fireproof, reinforced concrete on 107 street, just off 104 avenue, between John Deere Plow Co. and Gas and Oil Products Ltd.

The announcement was made today by Dan J. Kennedy, president of Gaults Alberta Ltd. It is expected the new building will be completed for occupancy by May 1, 1950.

Only such warehouse in Canada, it will be completely windowless except for show windows at the main entrance, giving complete control of interior air and eliminating dust.

Offices will be lighted with the newest type fluorescent tube, known as "alm-line," which cuts glare considerably. The tubes are smaller diameter than customary size and amount eight feet in length, against the normal four feet.

Every facility for customer and staff convenience will be provided, including a cafeteria for out-of-town visitors. Unique goods handling methods and machinery will be installed to economize on handling costs, reflecting in lower cost to customers.

MANY IDEAS
Architects for the structure are Stanley and Stanley, with Prof. A. J. Donahue, University of Manitoba, acting as design consultant. General contractor is C. H. White, who has been Gaults Alberta Ltd. contractor for many years.

The building incorporates the latest in dry-goods handling ideas, resulting from a recent trip by Mr. Kennedy to many parts of the United States and Canada. Mr. Kennedy is supervising construction of the new building, but his brother Jack will come from Winnipeg to manage the company when operations are moved from present temporary quarters in the International Harvester Co. building at 109 street and avenue, and the Latta building on 95 street. "We are certainly grateful to I.H.C. for offering us office space after our disastrous fire last spring," says Mr. Kennedy.

Between them the Kennedy brothers have 45 years' experience gained in the wholesale dry-goods business and have developed many of their own ideas.

Officers of Gaults Alberta Ltd. include E. N. Kennedy, honorary president, Walter Campbell, honorary vice-president, Dan J. Kennedy, president, and J. S. Kennedy, vice-president.

Directors are H. W. Brown, S. D. Maitland, and A. L. Yates. Eye-catching feature of the new building will be finished in buff-colored native brick from Redcliffe, used for the first time in Edmonton.

40 FEET WIDE
Entrance and show windows will occupy 40 feet of the width and 15 of the height, with a canopy 16 feet wide extending four feet over the sidewalk and three feet back inside over the doors.

Entire front of the building's main floor will be showroom, providing space for display of all lines of house furnishings, ladies' wear, and children's wear, dry goods, novelties and accessories. Half the basement will be offices, finished in a combination of—

—flying. Since then United States airmen have acquired polished techniques and have developed many of their own.

FOREMOST POSITION
This span of 20 years will be bridged Sept. 5 when Edmonton's demon air ace, J. H. G. "Butch" McArthur, whooshes over the Cleveland course in his Spitfire in a bid for the world championship and a nice purse.

If anybody thinks Edmonton an air whistle-stop it is well to remember that Butch downed 13 enemy aircraft in company with Flight-Lieut. Beamish, just about nine years ago.

Yea, Edmonton is a North American pioneer in air development and its position as a foremost air city of the world can't but, with any degree of common sense, be successfully disputed.

Spy... By the Staff

TO CONVENTION
Alfred Byth will be asked to represent Edmonton Chamber of Commerce at Pacific Northwest Travel Association annual meeting in Missoula, Mont., Sept. 19 and 20. This is announced by Don MacKay, executive secretary of the Edmonton Chamber.

BUSY MONTH
September looks like it's going to be a busy month for Alberta premier Hon. E. C. Manning. Besides his regular legislative duties, he has engagements to speak at annual meeting of the Canadian Goose Roads Association at Banff, and the Weekly Newspaper Publishers' Association meeting at Jasper.

Flying Farmers Will Arrive Here Oct. 2

Flying farmers from Montana and Oregon will not arrive in Edmonton tomorrow after all. M. A. "Maury" Fallow, secretary-manager of the Edmonton Flying Club today said "Due to a misunderstanding in transmission of information an impression was left that the 150 planes were expected here tomorrow."

"They are expected on a Sunday all right, but it will be Sunday, Oct. 2," he said.

Meanwhile arrangements for accommodation of an expected 300 flying visitors are proceeding with a vigor, said Mr. Fallow.

JOHNSTONE WALKER

LATEST IDEAS in architectural design and economical handling of wholesale dry-goods and smallwares are incorporated in new warehouse and office building by Gaults Alberta Ltd. President Dan J. Kennedy talks over unique building entrance with architect Kelvin Stanley, left, of Stanley and Stanley, and J. H. Johnson, company controller. Structure will be \$600,000 job, 150 feet by 135 feet, with full basement and two storeys.

ELEGANCE will be added to city's wholesale district by new warehouse, completely devoid of windows except for smart glass-fronted entrance. Canopy over doors is 16 feet wide, and extends four feet over sidewalk and inside three feet. Entire front of building, 150 feet wide, will be native Alberta buff-face brick, set off by this show-case entrance 40 feet wide and 15 feet high. Building starts Monday.

City Airport Plays Big Role in Aviation World

By J. V. O'NEILL
Bulletin Staff Reporter

On a comparative population basis it is doubtful if any other city in the world is producing Edmonton's volume of air activity. It is particularly gratifying that Edmonton stands out as the first city in the British commonwealth to enter a contender in the professional world championship speed races.

The city can also take pride in producing two contenders for the Canadian amateur flying championship to be held shortly in Windsor, Ont.

This pardonable pride is again enhanced in the fact that Edmonton produced an all-Canada amateur flying champion at last year's Royal Canadian Flying Clubs Association trials.

But that is not the finish. Next year international selection committee of United States Civil Air Patrol and Royal Canadian Air Cadet league will be moving, again, to their annual training performance trials somewhere in the west of Canada, North West Air Command officials said today.

The locale most properly would be Edmonton. This year it is at Toronto. Last year the trials were held in New York City.

Next Tuesday Sgt.-Ldr. C. C. Lee, air cadet liaison officer for North-west Air Command, will be one of a panel of four judges for the competition held annually for the best-drilled squad.

The team trophy, emblematic of the North American championship, was donated by Maj.-Gen. Lucien V. Bean, commanding general of the United States Civil Air Patrol.

Squad selection is complete next Tuesday at the Toronto Exhibition is from Aylmer, Ont.

JEAN and KATHLEEN LETOURNEAU
... new Edmontonians.

Noted East Musicians To Settle in Edmonton

Latest additions to Edmonton's music world are Mr. and Mrs. Jean Letourneau.

Formerly of Quebec City, Montreal, Toronto, and New York, Mr. Letourneau is a newcomer to the city.

But his wife is the former Kathleen Buxby, daughter of Mr. and Mrs. Robert Buxby, 8617-109th avenue, who was prominent in Edmonton music circles before she moved to Eastern Canada to continue her career.

TO STAY HERE

The Letourneaus have come to Edmonton to stay. They will teach voice, do some concert work in the city, and use Edmonton as headquarters for a field of musical operations.

Mr. and Mrs. Letourneau have been in New York for the past two years, where he was tenor soloist at Radio City Music Hall, and she coached at the Metropolitan Opera.

Why did they come to Edmonton instead of remaining in the East?

MUCH TO OFFER

They feel too many Easterners think of the West as a desert, not realizing it "is young and has so much to offer."

Also Dr. Elmore Mazzolini, principal of the Royal Toronto Conservatory, after visiting the west advised them to come here.

Mrs. Letourneau, a lyric soprano and piano accompanist, has done radio work in Edmonton and in Eastern Canada.

She left Edmonton, where she had studied voice with W. J. Hendra, in 1940 on a Toronto Conservatory scholarship.

At Toronto, she met her husband, who won the 1941 and 1942 Toronto Conservatory voice scholarships. They were married in 1945 after Mr. Letourneau had served two and one-half years in the Canadian army. He hailed from Quebec City.

CONCERTS AT 19

In 1940 Mrs. Letourneau when she was just 19, was tenor soloist with the Toronto Symphony Orchestra. Mr. Letourneau plays the French horn and organ, and would like to coach singers in the French language.

Big Guns Readied In Record Battle

Varied Speeds of Records Precipitates Big Sale War

By Dick Sherbanuk

The record war will really start blasting this fall. This is the indication from trend of recent weeks.

RCA Victor, which was jumped by Columbia in the new speed record field, is planning the biggest advertising campaign in its history for the coming year starting this fall.

PLUG 45 SPEED

Most of that advertising will plug Victor's 45 r.p.m. little plastic discs.

Getting ready for the long battle, Victor has prepared a 20-minute movie, which is being shown to record dealers.

City stores saw the movie this week, shown by Victor's district sales agent C. W. Smith, of Calgary, whose territory runs from Nelson in the west to Swift Current in the east.

Mr. Smith and Edmonton representative Paul Weber made the rounds of city record stores, talked things over with store managers, and showed the movie.

a television test, a complete wardrobe by Cole of California and an invitation to appear on the radio show.

Also back on the air next Monday is Club 15 with Dick Hazmes as master of ceremonies and vocalist, to be heard Monday through Friday at 5:30 on the Dominion Network. Andrews sisters are heard on the program Monday, Wednesday and Friday with Evelyn Knight, vocalist, on Tuesday and Thursday.

STAGE '30

The Stage Series, known as "Stage '30" this year, will return September 25 with a new series of plays by Canadian authors. The Friday Night Theatre Hour will be back October 7. Broadcasts of the Toronto and Montreal Symphony Orchestra series will resume October 18.

Series "Suspense" is back on the air September 1 at 7 p.m. on the Dominion network. Gregory Peck will head the cast presenting a play entitled "Nightmare." Director of the series will again be William Spier, who has won a number of awards for radio mystery drama.

On October 12, the first of the second series of operas performed by the CBC Opera Company will be heard. It will be a performance of the opera "Peter Grimes" written by the English composer Benjamin Britten.

Other performances to be heard during the series will be "Carmen" by Bizet, "Don Giovanni" by Mozart, Beethoven's "Fidelio" and Puccini's "Madame Butterfly."

SINGING STARS AUDITIONS Auditions of prospective candidates for the series Singing Stars of Tomorrow are being held in Western Canada by John Adaskin, Toronto musician and Winston McQuill, agency representative who will undoubtedly be visiting Edmonton in their tour.

Auditions start in Windsor September 5. Itinerary for the trip has not yet been announced.

Again in collaboration with the National Advisory Council on School Broadcasting, the CBC will present a series of school broadcasts including talks, drama and music. The series does not attempt to teach, but does try to arouse student interest in Canada.

What of the coming week's listening? Jim McEae of CKUA advises that discussion on Town Meeting tomorrow at 7 p.m. will be on the issue, "Have We Effective Free Press and Free Radio Now?"

The film is aimed at the people who save "records." It points out advantages of 45 r.p.m. records, and instructs salesmen now to bring out these advantages in sales.

THRILLED BY RECEPTION Mr. Smith said in an interview this week that 45 r.p.m. record sales have "thrilled us to death." He said the public has taken to the new discs like ducks to water.

It, said recordings, he revealed that Victor intends to cut down its 4,000 catalogued selections to 2,500—a 40 percent cut.

The withdrawal started some time ago, and will gradually continue during the next few months or perhaps year.

3-SPEED PLAYERS

Probably best news of all to city record fans is that new record players with all three speeds (regular 78, 45 and 33 1/3 revolutions per minute) will be on the market in a few weeks.

The "big three" of the radio manufacturing business—General Electric, Westinghouse, and Philco are all putting out the 3-speed jobs.

Concerning record sales, the Victor representatives and one city record store had a bone to pick with me this week.

They said, to put it mildly, that my statement in this space last week, which said that city record sales were down 50 percent this summer compared with last year, was erroneous.

Victor agents claimed that provincial sales are up close to 10 percent.

Certainly there's no increase like that in city stores, because all the big record stores but one say they are anywhere from "holding our own" to "down 50 percent."

Columbia distributors in Edmonton said that her 78 r.p.m. sales are down from last year, but long playing 33 1/3 records have brought the total to just about last year's.

In any case, the situation in Alberta is much better than U.S., where sales have dropped considerably, partly because of television, and partly because the public is confused and playing it safe to see which way the tide turns in the record war.

RUBINOFF CONCERT PLANNED FOR CITY

Popular U.S. violinist David Rubinoff, and his Stradivarius violin, will play in Edmonton. Optimists Club of Edmonton are sponsoring the American musician in a concert here on Oct. 5, in the Sales Pavilion. Tickets will go on sale early next week.

German Bass Records An Enjoyable Album

London Full-Range Records has issued an album of very enjoyable music sung by former Berlin Stars Opera bass Wilhelm Strienz.

From the sound of things, I would say that Mrs. Strienz has seen his better vocal days, but he does a fair enough job on these songs. Album title is German Sentimental Ballads.

FINE NUMBER

One of them is "Drei Rote Rosen" (Three Red Roses), which never became popularized in this country.

Mr. Strienz's version, however, can't compare with the terrific London recording of a year or two ago by a girl called Phyllis Heymans, and the version of this song was rather terrific.

Among the melodies in Strienz' album are "Abendlied," "Rose Im Schnee," "Gasparone," "Gaucho Song," "Alle Strassen Der Welt," and others covering four 10-inch discs.

FRENCH SONGS

An album some of you French record collectors should be interested in is Columbia's four 10-inch discs of Edith Piaf singing French songs.

Miss Piaf is a French film star and one of Paris' top night club entertainers.

In this album, Miss Piaf sings "Les Amants de Paris" (The Loves of Paris), "Monsieur Lenoir," "Il Pleut" (It Is Raining), "Un Requin Courtait Dans La Rue" (A Tuna Whirled Down The Street), "La Vie En Rose" (You're Too Dangerous, Cherie), "C'est Merveilleux" (It's Marvellous), "Adieu Mon Coeur" (Goodbye My Love), "Le Chant Du Pirate" (Song Of The Pirate).

It's doubtful if this album is in stock in city music stores, but you can get it by special order.

A POPULAR SIDE

One of Decca's lesser-known vocalists is Carol Richards, a girl with a nice, fresh exuberant voice. It's hard to find good material with a rather catchy tune. "I Wish I Had A Wishbone" and "Silver Dollars Tinkling Down" on a new Decca release.

Mile Brothers (later) is a Gay 90 quartet. "On A Chorus Honey Moon" and the song popular a few years back that's now being revised "Someday" (You'll Want Me To Love You) Decca.

Western fans will be interested in Columbia's seasonal volume of Gene Autry western classics. On four 10-inch records are such numbers as "Last Roundup," "Take Me Back To My Boots And Saddle," "Old Faithful," B.W.S.

Family Allowance payments during 1949 will total \$267 million—a total which amounts to payments of \$525 every minute.

Concerts Get Use of Church

Edmonton's Philharmonic Orchestra has found a new home. Concerts this season will be given in McDougall United Church on week nights, and in the Strand Theatre on Sunday nights, as in recent years.

Official board of McDougall Church generously granted the Philharmonic permission to use the church for the coming season only, as a "special concession."

The church board decided some time ago it could not possibly make the church available to every musical organization in the city.

SPECIAL PERMISSION But it gave special consideration to the Philharmonic, which brings high-ranking visiting artists here from the U.S. each year, and now has permitted the Philharmonic to use the church.

The Philharmonic will be able to have only three concerts in the church, instead of the normal five. But the orchestra would like to give three other concerts, possibly "pop" during the season if auditorium accommodation can be obtained.

Philharmonic executive has not yet decided whether season tickets will be sold.

In the meantime, the Philharmonic committee has chosen 50 musicians for the orchestra. Assistant to conductor Edgar Williams will be Ted Lindquist, and concertmaster will be Alexander "Sandy" Nicol.

Largest single item in Ottawa's budget estimate is interest on our public debt—a total to Canadian taxpayers this year of \$947,000 a day.

GRANDMA! ARE YOU BLUSHING?

ALBANY, N.Y., Aug. 27.—(AP) — Grandmas over 60 prefer to read light love stories with happy endings. Grandpas in their 60s like western stories best, with happy endings and "hobnobbing" a close second.

These are the reading preferences of older adults, according to a survey of 150 libraries.

The results were made public today by State Senator Thomas C. Desmond, chairman of the joint legislative committee on problems of the aging.

REGINA.—(P)—Joe Burton, an elevator operator, and Joy, a job in are good friends. They have one thing in common—both have lost their right leg. They get together every fine evening in Joe's back garden and Joe digs up worms for Joy. They have been friends for the last three summers.

City Will Have Visitor

REV. T. R. DAVIES, minister of Highlands United Church, who will preach his farewell service on Sunday morning. He has accepted a call to Grace United Church, Saskatoon.

Beulah Service To Be Held On Sunday

In the absence of Pastor H. J. McVety who is now on a vacation at Gill Lake, the Sunday evening service in Beulah Tabernacle will be conducted by Rev. and Mrs. Ralph Bowler, missionaries to South Africa.

Mr. Bowler, a graduate of the Prairie Bible Institute of Three Hills, and former pastor of the Christian and Missionary Alliance church in Hopeville, Ont., is now under appointment to the faculty of the Evangelical Teacher Training College at Vryheid, in Natal, South Africa.

Mrs. Bowler, formerly Miss Grace Belton, daughter of Mr. and Mrs. J. L. Belton, is a native of Edmonton. Mr. and Mrs. Bowler and their children expect to sail for South Africa in September.

Special music in the 7:30 p.m. service in Beulah Tabernacle will include a selection by the Beulah Tabernacle choir and a solo by the choir-leader, Mr. F. E. Larson.

YPU Service Here Sunday

Interdenominational Young People's Union will hold its last meeting in the series of outdoor services Sunday. Guest speaker will be Rev. W. E. Harrison, minister at St. John Anglican Church, and a duet will be given by Misses M. Dadds and B. Hosford.

Starting at 9 p.m., the service will be held on the Parliament Building steps. In case of rain all Saints Parish Hall will be used.

Large congregations have enjoyed previous services and it is hoped that many young people, their parents, and friends will attend this final service.

Reception for New Ministers

Norwood Baptist Church is planning a reception for its new pastor and wife, Rev. and Mrs. C. A. Sawtell, as well as the new superintendent and wife of the Westwood Baptist Mission, Rev. and Mrs. J. W. McKay.

Arrangements have been completed to have this social evening at the Masonic Temple on Thursday at 7:45 p.m.

A diversified program is planned with readings, solos, instrumental group singing. Refreshments will be served free. The public is invited.

Churches

REV. GEORGE M. EDWARDS, minister of Strathcona Baptist Church, who will conduct a Memorial Service for the late Rev. Norman Dabbs on Sunday morning. He will preach on the topic: "The Christian's I Am's".

After repeatedly touring the Dominion lecturing for the British Israel World Federation (Canada) she has spent the last three years in Great Britain, visiting also the Continent and Korea. A brilliant and well-informed speaker, she is in demand among the more than two hundred branches of the Federation in England, Scotland and Northern Ireland.

She is now on her way to the annual convention at Windsor, Ontario after which she will continue her lecture tour in Eastern Canada before returning to Britain.

Relationship Of Church, Farm To Be Met

RALEIGH, N.C.—Some 5,000 North Carolina farm men were attending the state's 41st annual Farm and Home Week here Sunday. The speaker, Samuel R. Levering of Ararat, Va., said that scientists have found the answer to many farm problems and that "in each case it has been a matter of discovering a divine law, then conforming to it."

"At farms, we work with God in four ways," he said. "We work with Him in growing our crops and in raising our livestock. We work as trustees of His soil, as builders of good homes and as citizens of our community, state, nation and the world."

Puntas Arenas, Chile, on the Magellan straits, is the most southerly city in the world.

Laymen Seek New Contributors

TORONTO.—A week-long campaign for 100,000 new contributors to its home and overseas services will be launched by the United Church of Canada on November 30. It was announced here. The drive will be conducted by 50,000 laymen and women who will make personal visits to other church members.

The campaign will be a prelude to the denomination's 230th anniversary observances in 1950, during which it is hoped to raise \$3,000,000 for the missionary, social, and educational phases of the United Church's work. This amount is double what the Church raised in 1940, and is about 20 per cent higher than present contributions.

Christian Science
"Christ Jesus" is the subject of the Sunday Lesson-Sermon in all Christian Science churches. The sermon is composed of passages like these: "And many of the people believed on him, and said, When Christ cometh, will he do more miracles than these which this man hath done?" (John 7:31). "Jesus said, 'He that believeth on me, the works that I do shall he also do'." (John 14:12). "Science and Health with Key to the Scriptures," by Mary Baker Eddy, p. 326.

Here Sunday
Miss Mary Reese, representing the World Wide Evangelization Crusade, is visiting Edmonton and will present a missionary message concerning this work at Bonnie Doon Baptist Church on Monday night at 8 o'clock. Miss Reese is a missionary from Africa and plans to return shortly by way of Australia.

50 MOUSE-POWER

THE Teenie Weenie men look forward to the frog hunting season, for that is the time the little people lay in their supply of meat to last them through the Winter. It is exciting to catch big frogs, and dangerous, too. A kick from one of the powerful legs of a frog can be mighty serious. The hunters usually are careful to keep out of reach of the frogs, but sometimes the little chaps venture too near for safety.

"A good kick from a frog could easily break every rib in your body," the Old Soldier with a wooden leg often warned the Turk, who is as brave as a weasel, but a bit careless.

"Shucks!" the Turk would answer. "I'm not afraid of any old frog." And then one day it happened—the Turk was badly hurt by the kick of a frog.

Several of the men had roped a big frog. In trying to tie it up, the frog suddenly kicked the Turk heels over head. He lay still on the ground and the frightened Dunce ran to the village for the Doctor. He soon moaned and opened his eyes, but he did not try to move. After the Doctor had examined the Turk, he ordered the men to carry him to the shoe house.

"His leg has been broken and he may have other injuries," said the Doctor. "We'll have to make a stretcher to carry him on. Bring some sheets and I'll show you men how to put them on the stretcher."

Gogo ran to the village for the sheets while some of the other Teenie Weenies cut small twigs and tied them together with bits of strong grass. When the stretcher was made ready the Turk was

laid on it and then the men carried him to the shoe house.

The news of the accident spread through the neighborhood. When the Turk was carried up the front steps into the house Nick, the red squirrel, and several other animals were gathered solemnly about the toe of the house. They were much relieved when the Doctor reported that the Turk had a broken leg and was badly shaken up but, with good care, would soon be well.

"It doesn't seem right for the Turk to be crippled," said Nick. "He is the strongest Teenie Weenie I ever saw. That must have been a mighty big frog."

"A frog has a lot of power in those big legs," the Old Soldier told Nick and the Teenie Weenies.

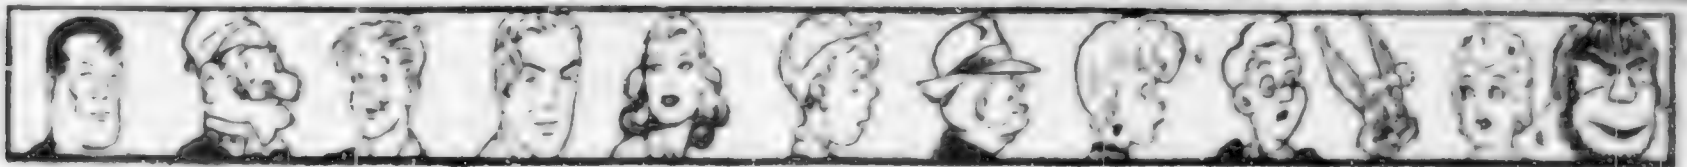

To prove he was right, he figured a bit with a pencil and reported that the kick of a large frog would be equal to as much as fifty mouse-power.

"And that's quite a wallop," he said.

By J. D.

I must be getting old. I get peeved when a young buck with his hair greased back beats me to a seat in a bus.

And speaking of seats, one night last week, when I was sitting in the front of a bus, I noticed a young fellow sitting in the seat next to me. He was looking at me and I was looking at him. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

I was looking at him and he was looking at me. He was looking at me and I was looking at him. He was looking at me and I was looking at him.

Civic Leaders Score Lack Of Juvenile Facilities Here

Need for Proper Institution Stressed

Edmonton civic leaders today stressed the need for a proper institution for juvenile delinquents. They pointed out that the current facilities are inadequate and that a new institution is needed to handle the increasing number of juvenile offenders.

The leaders also pointed out that the current facilities are inadequate and that a new institution is needed to handle the increasing number of juvenile offenders.

South Side Gets New Fashion Shop

**Marr's Fashions to Cater
To Junior Miss, 'Teen-ager**

Ever-expanding Strathcona has many varied businesses. South Edmonton shoppers to choose from, making the trip to the city centre unnecessary.

During this time she has made a close study of women's fashions, particularly for the 'teenager' and 'junior miss' markets.

Finished in a modernistic style, with interior decoration, the new shop will be ready to receive customers in the near future.

University outfits, high school, formal dresses, lingerie and hosiery are but a few of the lines planned for the new shop.

Britain's Civil Servants Oppose Slashing Staffs

London, Aug. 27 (AP) — Britain's civil servants, who are facing a 10 per cent pay cut, are opposing a plan to slash staffs to save money.

The plan, which would cut 10,000 jobs, is being considered by the government.

The plan, which would cut 10,000 jobs, is being considered by the government.

EVER-EXPANDING business has forced Nu-Way Cleaners on Edmonton's South Side to move to new location at 10526 Whyte avenue. New plant will offer best in way of cleaning and pressing as skilled staff of 11 will handle new establishment.

Horoscope

By FRANCES DRAKE

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

FOR SUNDAY, AUG. 28, 1949

March 21 to April 20 (Aries)—Favorable Venus today augurs well for a happy Sunday and personal affairs. Particularly if you feel from law and order.

April 21 to May 20 (Taurus)—Your Venus favorably encourages artistic and domestic interests. Family services useful social activities and charity. Necessary work freshly spirit.

May 21 to June 20 (Gemini)—Your Mercury and Mars warn against easiness in all important matters and especially of sacred documents. Make promises, agreements. Seek comfort in prayer. Increase love.

June 21 to July 20 (Cancer)—Indifferent tendencies. Venus and Mars, other planetary aspects are both good and restricting. You feel in finding the disposition, be your natural self. Prayer at church. You have good.

July 21 to August 20 (Leo)—Unnecessary changes in well-running affairs. May work that could just as well wait until later not advocated now. This is the Lord's day and should be observed properly. Enjoy your family.

August 21 to September 20 (Virgo)—Today's advice to Gemini for you. Be careful in all written matters and agreements. It is a more favorable time for home and social interests.

September 21 to October 20 (Libra)—Neutral Venus and Mars and Mercury, kindly thoughts and plans. Venus good deeds important. Two planets tend to correspondence.

October 21 to November 20 (Scorpio)—A smooth disposition and a friendly attitude necessary against this sort of day—irritating influence alone. Be careful of your words and take time for build-up recreation.

November 21 to December 20 (Sagittarius)—Advice to Scorpio a good preparation for today. Your Venus warns not to be careless with money or other assets. Strive for good. Increase, true clarity.

December 21 to January 20 (Capricorn)—Neither too restricting nor encouraging. Really, Venus and Mars demands of your day how you handle matters. Go to church first and don't waste unnecessary time.

January 21 to February 20 (Aquarius)—Your inclination to be a Capricorn now. It will be wise not to overdo, nor neglect essential duties. Strike an even tempo. Be in church, and enjoy some relaxing recreation.

February 21 to March 20 (Pisces)—A favorable rate is extension in matters and activities. Venus and Mars have no worry or trouble. But don't let your imagination don't overdo. Support your church, have good fun.

You Born Today—Reverend—Justly, any proud, conventional, industrial, intellectual, talented—all but of course if you are true to your better instincts, qualifications, and talents. You can reach top in your group. You can reach top in your group. You can reach top in your group.

FOR MONDAY, AUG. 29, 1949

March 21 to April 20 (Aries)—Stimulating period for you. Use attention for assistance. Go after what is most important and understand. But do not bite off more than you can handle. For true success.

April 21 to May 20 (Taurus)—Work hard today, think well before acting. Some important spots today. We are sure to make some good purchases. Check this. Mind your answers, especially to correspondence.

Nu-Way Cleaners Open New Plant

New Location Offers Best
To South Side Customers

After 2½ years in their old establishment, Nu-Way Cleaners and Dyers are following the example of so many South Side businesses, by building and expanding.

With the latest in dry-cleaning equipment, Nu-Way Cleaners have moved lock, stock and pressers, into their new white stucco-finish building at 10526 Whyte avenue.

The way Strathcona is expanding, South Siders are finding everything they need, right in their own back yards.

When Peter Malarchuk and Tony Yanes started the Nu-Way Cleaners, only two and a half years ago, Edmontonians from the South Side hardly realized Scona had a shop-

ping centre of its own. Since that time, businesses like Nu-Way Cleaners have shown that by giving the best of service and being handy at all times, they save their customers lots of time and energy.

LARGE STAFF
With 11 experienced workers, silk finisher, pressers, and all the rest of the equipment that makes a good cleaning and pressing plant.

PETER MALARCHUK
... part owner.

Belton, Ont., Farmer Is Cheese Champion

TORONTO, Aug. 27.—(CP)—T. S. Baiken of Belton, Ont., yesterday won the grand championship in Canadian National Exhibition cheese competition. His winning entry was in the June colored class and was awarded a score of 98.5.

Cosmos Meet

CALGARY, Aug. 27.—(CP)—Delegates from Winnipeg, Regina, Saskatoon, Prince Albert, Edmonton, Lethbridge and Calgary will attend the 14th annual convention of the Western Canadian District Federation of Cosmopolitan International which will be held here Sept. 2-5.

Canadian mills produced 113 million yards of rayon fabrics in 1948, an all-time record.

Blockade Running Attempt is Foiled

HONG KONG, Aug. 27.—(AP)—The 800-ton British freighter Sin Soon Lee returned to Hong Kong today after an attempt to run the Shanghai blockade.

Capt. W. Burrows said a Chinese Nationalist destroyer stopped the Sin Soon Lee twice.

During this year Canadians will Sales Tax payments—almost twice as much as in 1948. The federal government a total collected by this tax to the revenue of \$385 million through last year of the war.

Brighter sunset is assured aged of Alberta and Saskatchewan as a result of efforts of Norwegian Lutheran Church. The new Bethany Home at Camrose, as comfortable as a modern hotel, represents an investment of close to \$80,000 and can supply accommodation for 40. Original Bethany Home was in Bawlf.

Old Folks Move to New Home

Lutheran Church Provides Haven For West's Aged

By Ken Liddell
 Provincial News Editor

CAMROSE, Aug. 27—The old folks have a new home and most of them are in a tizzy about it.

When the Bethany Sunset Home was moved from Bawlf to Camrose it was the first time some of the residents had been anywhere for half dozen years and all this gallivanting around has left them out of breath.

So has their shiny new home with the linoleum on the floors and drapes on the windows and bed-lamps on the beds.

It is the only home of its kind in Canada and for the Norwegian Lutheran Church, which operates it, it has brought to an end a "temporary situation" which started in 1922 when the home was opened in a hospital building at Bawlf.

SETTING EXAMPLE

And if progress in caring for the aged could be reckoned in dollars and cents, Alberta's Scandinavian people are far out front. The Bawlf home was organized on capital of \$3,000 and the new Camrose home represents an investment of nearly \$80,000.

The investment represents man's humanity to man, for the money came through functions of various ladies' aids, women's masonic federation, through individual subscriptions and subsidy from the charities department of the church in the United States.

The Camrose area was settled chiefly by people of Scandinavian origin and the town of Camrose recognized their part in building the community when it gave land for the new home for \$1 and received the home of taxation.

NON-LUTHERANS ACCEPTED

And in operation of the home the Norwegian Lutheran Church recognizes its neighbors. Comforts of the home are not confined to those who belong to the church. All applications are considered on their merits and non-Lutherans are accepted.

The home can accommodate 40 about double its present number of residents, most of whom are retired tilers of the soil.

For Steiner Ede, the Bethany Home has been his home since he suffered an accident in 1923.

Oldest residents today are Chris Leyla, Camrose, who is 90, and Mrs. Hergel Johnson, Buchanan, Sask., who is 92.

Both are cheerful. Both are active. And when a photographer got them to sit together, both flattered. "I shouldn't be sitting with Mr. Leyla," said Mrs. Johnson, a tiny woman in carpet slippers, woolen socks, green housecoat and her grey hair in a braid.

Then she smiled. Mr. Leyla's goatee and Mr. Leyla grinned.

SINGLE, DOUBLE ROOMS

For these people the new home means a brighter sunset.

There are single and double rooms. Cost of furnishing a single room was \$170 financed by individuals or women's organizations of the church.

Each room has single bed with inner spring mattress, dresser, chiffonier, occasional chair, combined desk and bedside table and bookcase; clothes closet, floor rug, window drapes, table or bell lamp.

In the double rooms there is an extra bed and chair.

The dining room has tables seating four each and the sitting room can be converted into a chapel.

SPACIOUS ROTUNDA

The rotunda is as spacious and comfortable as a modern hotel. Heating is by gas. The home is on water line and fully protected against fire, which is a big improvement over the Bawlf home which now reverts to the school district.

The home overlooks a valley and landscaping is now planned by the building committee of E. M. Hergel, Camrose; Rev. J. Olson, Arma, and Rev. J. Stole, Bawlf.

It is the only home operated by the church in Canada but a second is to be built at Saskatoon, The

Both still cheerful and active, oldest residents of Bethany Sunset Home are Chris Leyla, 93, of Camrose and Mrs. Hergel Johnson, 92, of Buchanan, Sask. Deaconess Marie Weeks, superintendent, who came from Chicago in 1935, had been in charge at Bawlf.

Work Starts at Wetaskiwin On Six-Cabin Auto Court

WETASKIWIN, Aug. 27—

Start has been made on Wetaskiwin's new auto court being erected by Pearson and Nelson. The court is situated facing the Edmonton-Calgary highway and takes in part of the ball park.

The land to be used for the auto court or motel is 150 feet deep by 200 feet long.

Operator Pearson and Nelson plan to have a service station erected and in operation this fall and for the accommodation of tourists.

The units will contain cabins of different sizes but all will be alike in one respect: They will be fully modern, each with a shower bath, equipped with gas, electric light and sewer. They will also be fully winterized and will be operated on a year round basis.

The units will contain cabins of different sizes but all will be alike in one respect: They will be fully modern, each with a shower bath, equipped with gas, electric light and sewer. They will also be fully winterized and will be operated on a year round basis.

Sixty Entries In Glad Show

SYLVAN LAKE, Aug. 27—Glad-

show sponsored by the Women's Auxiliary of St. Mary's Anglican church, probably will become an annual event.

Sixty entries were judged in this year's show and the Imperial Bank trophy for the championship was awarded to Jack May, of Sylvan Lake. The winning variety was "Red Charm."

Harvey Nornstrom and Tom Gibson were the winners in the collection of six varieties and prizes for decorative glass bouquet went to Jack May and Tom Gibson.

Mrs. Dan Nustag and Mrs. Tom Gibson won in class for decorative bouquet of sweet peas.

Winners in single spike class were Tom Gibson, Jack May, Mrs. Nustag, Harvey Nornstrom, J. W. McIntosh, Miss A. Stone, C. A. Harrison, all of Sylvan Lake and M. Gage, of Red Deer.

Successful auction of exhibits was conducted by Bob German.

Miss Nustag, prominent Calgary horticulturist, acted as judge.

Camrose home accepts from Saskatchewan and Alberta.

Superintendent is Deaconess Marie Weeks, who came from Chicago to undertake the work in 1928.

And as the looked around the new home, Deaconess Weeks could hardly say that a new dream sweeps clean.

MOVED 15 MILES

When residents moved from Bawlf, 18 miles from Camrose, everything left behind was sold at public auction.

Even a couple of cows which supported the home were on the block.

Four bedridden residents were moved by ambulance and the others by car, and for them it was the first trip in years.

What with the trip and farewell parties arranged by Mrs. C. Leiren, Mrs. A. Pederson, Mrs. G. I. Anderson, Mrs. A. Zenkies, Mrs. G. Sanden, there was no end of excitement.

But it was nothing compared with what happened when they got to the new place. They had no trouble with reservations but most of them got lost wandering around the big building.

Today they are all settled and as old folks are given to doing, they were at Bawlf.

IN OUR PROVINCE

28 EDMONTON BULLETIN, Saturday, Aug. 27, 1949

PRODIGAL \$10 BILL FINALLY TURNS UP

MILLET, Aug. 27—(BUP)—Farmer G. H. Marr of the Millet district of Alberta was "pretty darned mad" when he lost his wallet with ten dollars in it three years ago. But he admitted to all and sundry that he didn't expect to see the ten bucks again.

Today he had a surprise story for all. The ten bucks has been found. It was in the wallet on the field which since that day three years ago when he lost it has been plowed and burned over several times.

Only part of the serial number could be read on the ten dollar bill, so Marr sent it to Ottawa and got a brand new one back.
